

Canada's favored DeeJays crew

TEAM CANADA DJ's is ready with their LONG awaited 'Classic Material Volume 3' to follow up the on their previous success of Volume 1&2.

In support of this release, Team Canada Dj's will hit the icy roads with a mini tour that will take them from San Francisco to Québec to Vancouver and Halifax - this will only be the tip of the iceberg for their touring plans in 09. The guys never rest and 2009 is not going to be any different - on the contrary 09 will definately be one of their busiest years to date..
